TWO AUTOS INJURED BY A COLLISION ON McKEE AVE.

Two automobiles were damaged in a collision on McKee avenue yesterday afternoon, when R. W. Beck's and W. R. Stephen's cars came together.

It seems that A. H. Rowe, the auto repair man was driving Beck's car down a grade on McKee avenue and Mr. Stephen's in his car was ascending the grade and ran into the car. It is said that the curtain being down on the side between the cars prevented Stephens seeing the machine going down the grade, which caused the collission.

The Beck car was pretty badly damaged, the fenders, running board and other parts being broken and bent up in bad shape.

The Stephens car was more lucky, not being very badly damaged.

One Man Who Claims Citizenship for 75 Years

Monessen, Pa., April 10, 1915.
Mr. H. R. Pore:

Dear Sir:—I am interested in the growth of the town. I have lived in Monessen and vicinity for the last seventy five years, being born and raised here. I used to hunt rabbits in Parkway, and Sixth street, and I used to run them from under the tree Mr. Frazier cut down this week. Sixty years ago I used to boil eggs in sugar water in Grandview. I was married in Rostraver in 1873 and went to housekeeping in 1873 in McMahan's old homestead. I now live in Grandview on my own property. I will close wishing the town great success.

Yours very truly
Joseph Harris.

P. S.—I planted my corn and wheat forty years ago where the mills now stand.

ONCE MONESSEN GAMBLER ENMESHED AT BELLE VERNON

Gambling seems to be rampant in Belle Vernon and it is said that some of the Monessen experts have gone up there to show the boys just how it is done.

A few nights ago, Officers Morse and Farrell of that place swooped down on a lot of gamblers and took in eleven in the drag net. For some time they had their suspicions of a pool room at the rear of John Daffreda's barbershop on Second street, in the Birmingham block, which was run, it is said by one Nick Carsso, who went to Belle Vernon from Monessen. The officers had been put wise to the kind of a place Nick kept while in Monessen and they bided their time to make the haul.

The officers entered the rear of the place by forcing an entrance and found money and cards on the pool table. These were seized and all the men in the room, eleven, were placed under arrest. They were taken to the lockup where Carsso put up a forfeit of $25 for a hearing. Before Burgess Boyd, Nick was fined $15 and two others who were playing $10 each. The visitors each got $3.00.

The officers say gambling must be stopped, and one of these nights they expect to raid a place which is said to be well known and when they do get them, there will be a great surprise for some. It will cause talk for some time to come, it is said.

BORNSTEIN SHOWS GENEROUS SPIRIT

Jake Bornsten won't vulcanize. He built a building, hired a man to take charge of the business and when a firm came to town to devote their energies exclusively to the vulcanizing business, Mr. Bornsten generously retired. He feels that there is not business of that character enough here for two or three concerns and he would rather see one firm make a success of the business and be in a position to accommodate the public, than to split it all up until it would be unprofitable for anyone. Mr. Bornsten will now use his handsome new building for a storage house.

PROMINENT WOMAN TO OPPOSE SUFFRAGE

An anti-Suffrage meeting will be held Monday evening, April 12, in the Anton theatre, Monongahela, and a large attendance is being looked for. Miss Lucy Price, a prominent anti-suffrage speaker, will be present as the speaker of the evening, her address to be delivered at 8 o'clock. Miss Price a former newspaper woman of Cleveland, and who took an active part in the Anti-Suffrage victory, is touring the western part of Pennsylvania. It is Miss Price who has been so often shunned by Suffragists as a debater, and who could not find an opponent towards the end of the Ohio campaign last year. Miss Price is a bright, attractive young woman and states her facts in a very convincing manner. Monessen antis are invited to hear her. Admission will be free and everybody will be welcome.

BIG SPORT NUMBER FOR NEXT WEEK

Sports of town should remember the "Merry Widow" duckpin tournament to be opened at the Arcade bowling alley on Donner avenue. The "Merry Widow" is something new, the tournament embracing doubles and singles and the plays will be unusually interesting.

New aluminum pins will be used for the first time in a tournament and will be quite a novelty.

The tournament will start Monday evening and run all week, closing Saturday night, under the management of Willis Briggs, the well known and popular bowler. 1t

TROUBLE ARISES OVER THE NAME, "LEOPOLD" WARMAN

L. Warman is on the war path. He isn't out on the street with a gun, but he is quietly settling trouble caused him by other means of arbitration. For the past thirteen years, Mr. Warman has been conducting grocery stores in Monessen and for brevity, he has signed himself L. Warman. He is known everywhere by L. Warman. People eager to expose the persons for signing liquor license applications have placed on their circulars the name of Leopold Warman and there seems to be no such person. People are taking this person for L. Warman, the grocer, and he is unjustly being placed in an embarrasing position in a business way, without cause on his part. He takes no part in the liquor fights, neither signs papers for or against persons and he feels that those who circulated this paper should place him right before the people of this community.

JUNIOR HIGH SCHOOL BOYS ENJOY HIKE TO SHEPLER HILL

Bright and early this morning about 75 of the Junior High school boys accompanied by the teachers, H. S. Robinson and Andy White left Monessen for the first "hike" of the year, to what is known as "Shepler Hill," the highest point of land in Westmoreland county.

The lads had a splendid time both going and coming, and while on the hill they made good use of their field glasses taking in many sights and points of interest, which were both interesting and educating.

On their way back the boys stopped at the George Nash farm and were most pleasantly received by Mr. Nash in person, who took pride in showing them about the farm. He extended the High school boys a hearty invitation to "come again."

Profs. Robinson and White and the boys arrived home about 1:30 tired and weary, but amply ready for a good, hearty dinner. All are loud in their praises of the trip into the country.

SOCIAL DOINGS

The Narcissus sewing circle was very pleasantly entertained last evening by Mrs. W. B. McVey at her home on Knox avenue. Aside from stitching, the ladies enjoyed a pleasing lunch served by the hostess.

The regular business and social meeting of the Isabel Thoburn class of the Methodist Sunday school was held last night at the home of Mrs. W. C. Merritt of Schoonmaker avenue. At the conclusion of the meeting, a dainty lunch was served.

The Gardenella sewing club met Friday afternoon at the home of Mrs. Robert Pickering, First street. There was a good representation of members and the afternoon was very enjoyably spent, the hostess making every endeavor to have things just right to insure all a good time. Delightful refreshments were served.

Hugh McNeill, son of Mr. and Mrs. Samuel McNeill of Fourth street, who is in the Allegheny General hospital for the treatment of an injured limb, is reported to be getting along nicely. The child had the misfortune to fall from a motor truck and sustain a badly broken leg. While he will have to be under treatment for some time yet at the hospital, it is believed his recovery will be such that there will be no bad effects

Proud of the Age

Probably there never has been an age since time began which has not said to itself, "This is the greatest age the world has seen. This easy optomism may be making a virtue of necessity. When Margaret Fuller in her large transcendental, Boston way, said, "I accept the universe," Carlyle growled, "Gad, she'd better." It is out of the same kind of compulsion perhaps that we accept our own age. It is the only one we have ever had and it behooves us to accept it. Yet it is the heart of Christianity to believe that each new age is the best. Optomism is only another term for belief in God.

Our age is the best the world has ever known—until the next one. The most difficult and fascinating task is in forecasting the future. When we look back to the beginnings of our own national life and realize how far we have progressed, who will dare set limits to the achievements of the coming age?

When we realize the tremendous uses of gas and steam, we smile at the venturesome predictions of a day gone by. So the coming age may make our largest dreams seem ridiculously small. It will see greater things in material development, but also greater things in the spiritual movements that are even now clearly discernible.

The tendency toward a spiritual philosophy, the rediscovery of the social conscience and the united world-wide missionary movements are *forgleams* of a better day.

As to Styles

We simply knew it would break out somewhere, some time. An exchange announces that included in spring fashions will be women's toques in the shape of torpedoes.

Of course, the torpedoes are but a modest beginning of the new styles They're enough. Most novelties in styles start modestly, but they soon reach an extreme that makes mankind gasp and often kick strenuously.

The torpedo toque is simply father, or mother of the dreadnaught bonnets, the submarine "sailors" the 42-centimeter pokes and so forth. Trenches, fortifications, aeroplanes, Zeppelins and ambulances may be expected as headgear. Armament millinery is to be the style, and in order to be in full style you've got to rush the style to the limit.

But maybe the war millinery will be confined to war territory and our own dear women will stick to their artificial flowers, fruits and vegetables, which are very beautiful and peaceful and cost just as much.

Societies Rights

A reader fires this at us: "What 'right' has one man to expect another to give him work? No one has such right." It is true enough, as between individuals. In the beginning, might was right. The stronger man had a recognized right to take whatever he wanted from the weaker.

Later on came recognized society. The strong man gave up his right to take by force. In exchange he got the opportunity to make a living. This society owes him. If society's ways of doing things deprives him of opportunities, his redress lies in tearing down society as organized, with its methods. In this country it can be done peacefully, but none the less surely, with the ballot.

There's no bigger fool than the anarchist who thinks he's going to change things by blowing up a Carnegie, a Rockefeller or any other individual. With such individuals sky-high, dynamited as fine as mincemeat, the conditions would continue. Corporations cannot be bombed. The jobless man has no right of complaint against individuals. He has "rights" upon society only.

One View of It

The condition of our country in case of invasion by any first class nation, as told by Gen. W. W. Witherspoon, is, to say the least, somewhat startling.

I would include a two hours' strict, vigorous drill every other week for all boys in the public schools of the country between the ages of fifteen and seventeen years, the drill to be given by persons well qualified to teach the young American how best to help his country when needed.

There are plenty of veteran trained soldiers all over the land who could train the boys effectively, teach them how to walk, with head up and shoulders back. This would take the slouch out of them and use up lots of that nervous energy which leads all smart boys into mischief. If a boy left school and got but one year of drill, good: but if he got two years, so much the better; or if he gets six months, that is better than none.

Then they will be ready, and when called will come from the shop or the farm or the store.

If a Man Earns $1,000 a Year

And if he has a family, about $400 of that thousand will be spent on catables. Groceries are the largest item on the family expense account.

We want to tell you in this ad. that this store gives you the largest possible return for your money.

We invite you to trade here. Seldom indeed will you have cause for complaint. When you DO you will find us not only ready but ANXIOUS to right all wrongs.

Double Windup Will Feature Ring Bout

The stage is set for Charleroi's big fistic treat, which will take place in the rink tonight when Trixie Brennen, bantom champion of Pittsburgh, will go six rounds with Eddie Hazel. Brennen has completed his training for the bout, and according to his own statement is in exceptional fine condition. He has been working hard during the past week at the Pittsburgh Lyceum gymnasium.

Brennen appreciates full well what he is going up against and has no idea of allowing himself to be caught napping.

Hazel has been winning his bouts over the knockout routs and will try to repeat his past stunts over Brennen.

A victory over Brennen will mean much to Hazel and he is out to win. Should Brennen defeat Hazel, he will be matched to fight Kid Williams in Pittsburgh, May 6th. In the other part of the windup, Joe Grimm will meet Franklin Barry, who has decisions over Eddie O'Keefe, Tommy Murphy, Charlie White and others. The preliminaries will feature John Everhardt of Monessen and Johnny Todd of Donora, the opening bout will be between Kid Winfield and Johnnie Dodge.

A TRUTHFUL ANSWER BY ONLY A BOY

Jeff Livingston, who, in spite of the fact that he is the president of the great Snider Preserve company and a mililonaire, is as democratic as his first name, was once a poor boy and wore his rags and patches with the rest of the "kids." Jeff occasionally finds time to indulge in a little literary work and his most recent effusion is founded upon an incident in his early career. Here it is:

Two ladies met a boy one day; his legs were briar scratched.

His clothes were blue, but a nut brown hue marked the place where his pants were patched.

They bubbled with joy at the blue-clad boy with his spot of nut brown hue.

"Why didn't you patch with a color to match?" they chuckled, "Why not with blue?"

"Come, dont be coy, my blue-brown boy, speak out," and they laughed with glee.

And he blushed rose-red, while he bashfully said: "That ain't no patch; that's me."

COMFORTING WORDS

Many a Monessen Household Will Find Them So

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enought to make any kidney sufferer grateful. The following advice of one who has suffered will prove comforting to hundreds of Monessen readers.

Mrs. Ida Coleman, 311 Sixth street, Monessen, says: "I was troubled by a constant backache and in the morning especially when I stooped to put on my shoes. I found it hard to straighten. Sharp pains took my breath away. I felt tired all the time and had dizzy spells and hot flashes. My head ached. I doctored for a long time, but I didn't get much good and finally I used Doan's Kidney Pills, which I got at Kirk's Drug store. They gave me great relief and after I had taken the second box, the trouble disappeared. I haven't had any cause for complaint since. Others of the family are now using Doan's Kidney Pills and consider them the best kidney medicine on the market.

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Coleman had. Foster-Milburn Co., Props., Buffalo, N. Y.

5 Women Avoid Operations

For years we have been stating in the newspapers of the country that a great many women have escaped serious operations by taking Lydia E. Pinkham's Vegetable Compound, and it is true.

We are permitted to publish in this announcement extracts from the letters of five women. All have been recently received unsolicited. Could any evidence be more convincing?

1. Hodgdon, Me.—"I had pains in both sides and such a soreness I could scarcely straighten up at times. My back ached and I was so nervous I could not sleep, and I thought I never would be any better until I submitted to an operation, but I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman."—Mrs. Hayward Sowers, Hodgdon, Me.

2. Shelbyville, Ky.—"I suffered from a severe female trouble. My right side hurt me badly—it was finally decided that I must be operated upon. When my husband learned this he got a bottle of Lydia E. Pinkham's Vegetable Compound for me, and after taking it a few days I got better and continued to improve until I am now well."—Mrs. Mollie Burris, R.F.D., Shelbyville, Ky.

3. Hanover, Pa.—"The doctor advised a severe operation, but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it."—Mrs. Ada Wilt, 303 Walnut St., Hanover, Pa.

4. Decatur, Ill.—"I was sick in bed and three of the best physicians said I would have to be taken to the hospital for an operation as I had something growing in my left side. I refused to submit to the operation and took Lydia E. Pinkham's Vegetable Compound—and it worked a miracle in my case, and I tell other women what it has done for me."—Mrs. Laura A. Griswold, 2437 East William Street, Decatur, Ill.

5. Cleveland, Ohio.—"I was very irregular and for several years my side pained me so that I expected to have to undergo an operation. Doctors said they knew of nothing that would help me. I took Lydia E. Pinkham's Vegetable Compound and I became regular and free from pain. I am thankful for such a good medicine and will always give it the highest praise."—Mrs. C. H. Griffith, 1568 Constant St., Cleveland, O.

PILES RELIEVED

Also Eczema, Salt Rheum, Ulcers, Old Sores and Carbuncles

Under the influence of San Cura Ointment surprising improvement is made so quickly that it seems almost miraculous.

Stubborn cases of piles like those of Rev. W. F. Gilbert of Titusville, Pa., vanish before the marvelous antiseptic Ointment. Mr. Gilbert writes: "For twenty years I suffered with bleeding and itching piles; at times I was confined to the house for more than a month. Two years ago I began using San Cura Ointment and one 50c jar made a firm and permanent cure. I have not been troubled since."

San Cura Ointment is guaranteed by H. F. Craig, who is the agent in Monessen to help any of the above named diseases or money back. It relieves pain from burns, cuts and bruises, draws out the poison and often heals in a short time. 25c and 50c a jar at Craig's Drug store.

Geo. Deeds Making Good

Many people in this section are acquainted with George Deeds, the Ligonier Democrat, who made such a spectacular campaign for Prothonotary of Westmoreland county, they are acquainted with him personally and politically and will be pleased to learn that he will be a candidate for the Democratic nomination for county commissioner. Mr. Deeds is one of the county's substantial business men, well liked among his home people and an agreeable fellow in every way. He was slated for a lucrative appointment under the Wilson administration, but he was sidestepped by the re-organization Democrats. His turndown for this appointment aroused widespread indignation among the voters and he intends to take his case back to the people for a decision as to his worthiness. Mr. Deeds expects soon to be in Monessen to meet his many friends here in the interest of his campaign.

Old Men Make Decord On the Dance Floor

New fangled high society dances were backed off the boards at the Dixie theatre, Uniontown, when Pat Reagan, 65 and Ewing Hare, 78 staged the first public jig dance in the country. The stake was the county championship and Ewing Hare. spry septuagenarian that he is, won the popular decision over his 65 year old competitor.

But it was some dance. The way these two "youngsters" danced on the Dixie stage to the accompaniment of rounds of hearty applause, would put to shame the best vaudeville entertainer in the country. Both are some jig dancers. but we'll be jiggered if Ewing Hare, despite the fact that it won't be long until he is eighty score years old. didn't give Pat the tussel of his life and likewise wrested the laurels from the genial contractor.

Pat began the dance. Loyal rooters sent a big bunch of carnations to the stage. But Acushla, Pat shure is a good loser. When the audience declared Hare the winner, the genial Pat yelled out that the carnations were not meant for him. He presented them, with the compliments of the loser, to Mr. Hare.—Uniontown Genius.

In great emerg whe e men are demanded in the rards, women are called to ass n wine treading. Our correspon ent saw young women wear ng their own garments which the kilfully gather up around ther until they assume the biggest an most abbreviated of Dutchman "britchen" costumes, while in th rinery.

COLLECTORS OF TAXES MUST MAKE REPORT

Prothonotary Dick Hunter of Greensburg, has received from Harrisburg a copy of the first of the 1915 laws which affect the officials of Westmoreland county. The law is known as Act No. 11 and imposes new duties on the county treasurer and tax collectors. The law requires each tax collector before he assumes the duties of his office to notify the county treasurer in writing, setting forth his name, address, where taxes are receivable, the office hours when he sits to receive the taxes and the district for which he collects taxes.

The county treasurer is required to procure at the expense of the county, a book to be known as the Tax Collectors' Address book. In this volume must be set forth and indexed by township, borough, and by the name of the collector, the information furnished him by the collectors. This book is to be kept in the treasurer's office and shall be open to public inspection during office hours. A penalty of not more than $50 fine or summary conviction is provided for violation of the act.

County Treasurer James M. Cramer already has taken steps toward securing the Tax Collectors' Address Book, and within the next few days he expects to have it ready for use in his office. In the meantime, it is expected that the tax collectors in the county will send the information required by the new law to the treasurer's office.

Willard Gets all the Glory

It has developed that Jess Willard got only glory out of his fight with Jack Johnson. The big Kansas cowboy smiled when he admitted it. His agreement was to take one-half of whatever money was left after Johnson's $32,000 and the expenses were taken out. Jack Curley gave the official figures as $73,000. He said that he just did make expenses, but that all hands expected to clean up on the moving pictures of the contest.

Johnson appeared on the streets forcing his golden smile. He declared he had been offered $200,000 for his end of the moving pictures. "I intend to buy a farm in France and settle down" he said. "No more fighting for me. I shall not attempt to regain the title."

Now it bobs up that the United States law prohibits the showing of real pictures of the big fight, so all their royalties will have to be made in foreign lands.

Street paving men at Belle Vernon who some time ago struck for a nine hour day at $1.75, went back to work Thursday, the trouble being settled by the men getting their demands. Work is now moving along nicely on the paving of Market street.

WINE AS AN ANTISEPTIC

Dr. Pick of the Institute of Hygiene, Vienna, recently showed that the action of the bacteria was paralyzed by the use of pure wine.

The experiences of Drs. Gruber and Rabor of Berlin, confirmed the statement. Other exepriments have shown that wine has an antiseptic action on typhoid bacteria.

During the epidemics in the wine countries of Europe, those who drank wine freely escaped, while the water drinkers were stricken. These antiseptic qualities are present in the wines produced by the Speers, N. J. Wine Co., N. J. They are guaranteed absolutely pure and fully matured by chemists who have tested them and physicians who have used them.
